5 December 2018

Term 4 Week 8

Volume 19

## *From the Desk of the Principal*

### **Teacher Workload**

Over recent months Grose View PS staff have been contributing to a strategic review of our organisational and operational systems and structures, with a particular focus on teacher workload and conditions. A recent external performance review of Grose View PS highlighted the enormous amount of work our teachers do that is above and beyond their expected role. In light of this, we have implemented the following changes to our organisational procedures for 2019:

- Utilising the expertise of our Assistant Principals to provide additional in-class support for teachers and students.
- Additional support for teachers in the collection and analysis of student data for strategic planning.
- Increased flexibility for teachers in their planning and organisational timetabling.

Our objective is to increase the amount of time our teachers have to do what they love doing, in an environment that is conducive to creativity, inspiration and learning.

### **Assistant Principal Roles**

We are blessed to have two dynamic, expert Assistant Principals in Miss Graham and Mrs Hopkins. In 2019, we will be utilising their expertise to deliver tailored support to every teacher in every classroom. We have freed them of some of their administrative burdens to allow more time for in-class teaching and learning. Key changes to their roles for 2019 include:

- Both Assistant Principals will have a K-6 focus and will spend more time in every classroom.
- A shift in focus from supervision to support.

- Miss Graham will focus on supporting in-class literacy and numeracy initiatives.
- Mrs Hopkins will focus on supporting in-class student engagement and inquiry processes.

### **Staff and Class Structures 2019**

The final composition of classes will not be determined and released until the commencement of 2019 after all late enrolments have been considered. As it currently stands with projected enrolments we will be forming nine classes. Under the new organisational system, teachers will plan and organise themselves in teaching pods of three, with each pod having equal support from the Assistant Principals. Classroom teachers will still have responsibility for the management and organisation of their own class.

#### *Teaching Staff Roles*

## YEAR 3 CAMP

The wind was howling but nothing could blow the smiles off the faces of Year 3 as they spent two enterprising days at YMCA Yarramundi. Amid the torrent of challenging obstacles that lay before them, our youngest campers showed true determination and resilience.

Whether carrying themselves vertically up an impossible wall, freefalling from the highest tree or crawling around in the dark looking for an exit that was 'just around the corner' four corners ago, they managed not only to survive, but thrive. Each and every student who attended grew from being forced to push themselves against some of their greatest fears – even if that was just Mrs Edwards stealing all their lollies. Year 3 should be proud of themselves, their teachers certainly are.

## YEAR 4 CAMP

Gale force winds one week, pouring rain the next! We certainly started Year 4 camp with some challenges but our flexible learners proved yet again that they can cope with anything. With some of our activities washed out, our campers made the best of the situation. After a brief visit into the past at Woodford Academy, Mr Chenery proved that musical chairs is still a competitive sport and we partied on well into the night.

Day 2 began with yet another time warp as we stepped through the land of the dinosaurs at Scenic World. An informative talk from Lester, our National Parks and Wildlife guide, kept everyone entertained for hours and was followed by a chance to take in the beautiful scenery during a bushwalk that culminated in getting up real close to Meehni, tallest of the Three Sisters.

Finally, after Mrs Hopkins proved there's no worse way to wake up than with 'Baby Shark' stuck in your head, we headed for Jenolan Caves. Inspecting the limestone formations left our students full of deep, thought provoking questions and it was a real pleasure to see our young scientists flex their brain muscles throughout the trip. Everywhere we went guides and instructors commented on how open-minded and respectful our Year 4 students were. They represented Grose View with an elegance and dignity beyond their years and should be congratulated on the fantastic manner with which they conducted themselves.

## 2019 ENROLMENTS

If you, or someone you know, has not yet completed an Expression of Interest for enrolment in Kindergarten next year, please do so as quickly as possible.

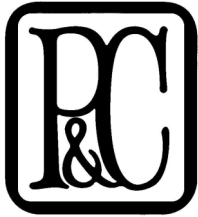

As you would appreciate, a great deal of thought and effort goes into class structure and student placement into classes. If you know that your child/ren will not be returning to our School next year, it would be helpful for our planning process to have this information as soon as possible.

## P&C MEETING

Our next P&C meeting will be held on Monday 10 December commencing at 6.30 pm in the staffroom. This will be our AGM and all positions will become vacant. All parents are very welcome to attend.

We will also be forming our new uniform committee.

## 2018 TEA TOWELS

We have a small quantity of fundraising tea towels leftover. They are available for purchase at the office for \$15 each.

Be quick! While stocks last...

## CHRISTMAS RAFFLE

Don't forget to return your raffle tickets, sold and unsold, before our Carols With a View event on Tuesday 18 December. Tickets are still available at the office and will be available on the night if you would like more chances to win!

## CAN YOU HELP?

We have been contacted by a lady who purchased the item shown below from the Trash & Treasure stall at our Country Fete this year. Her original intent behind the purchase was to give it to a family member as a bit of frivolity as her nickname is The Princess, but she is so curious about this 'exceptional' metal work that she is hoping to discover the story behind it and/or the significance of 'the crown' as she now calls it.

If you have any information, please contact the school and we will put you in contact with her.
