18 September 2019 Term 3 Week 9 Volume 16

From the Desk of the Principal

Concert

I would like to once again thank and acknowledge the enormous contributions made by so many in order to deliver another wonderful concert. The Jenkinson family again donated their time, resources and personnel to provide the sound and lighting; members of our P&C generously gave their time to provide and sell food and drink at intermission and clean up at the end of the show; staff members for their tireless efforts in planning, practising and delivering outstanding concert items; and of course, our supremely talented students for their outstanding performances.

ThinkUKnow—Police Talk

On Tuesday, Stage 3 students were given a presentation from our Windsor Local Area Command Police Liaison Officers about cyber safety and general expectations of behaviour for students of that age. Of particular interest to many students was the fact that the average age of an online gamer was 35 years old. This came as quite a surprise to many who had previously been under the assumption that most gamers were kids like them. A strong reminder to talk about online safety with your kids.

Japan 2020

It is very exciting to announce that we have commenced planning for a school visit to Japan in the September holidays 2020. At this stage, the draft itinerary includes highlights such as Tokyo Disneyland, Museum of Science and Innovation, Shinkansen bullet train, Mt Fuji tour, Kyoto historical sites, Sankun Elementary School and Hiroshima Peace Park. The Japan trip is open to all students, however, students in Years K-4 must be accompanied by a parent or carer, while students in Years 5-6 can be supervised by a teacher. We will hold an information night in Term 4.

Week 10 Staffing

Next week both Mrs Hopkins and I will be on leave. I will be enjoying the sites of Japan while Mrs Hopkins soaks up the sun in Hawaii. In our absence, Miss Graham will be Relieving Principal ,and Mrs Edwards and Mrs Harrington will be relieving Assistant Principals.

Canteen Manager

Please note that an advertisement for the paid position of Canteen Manager at Grose View PS will soon be published. For more information please contact our P&C.

POSITIVE BEHAVIOUR FOR LEARNING

WEEK 8-9 Respect		• Take turn • Share playground space • Be mindful of others

Snapshot of 5/6P

What We're Learning

5/6P have had an extremely busy Term 3. We have spent countless hours rehearsing and performing our concert item with enthusiasm and creative flare. During this term we also enjoyed using the STEMSHARE 3D printer to create keyrings for Fathers' Day.

We were fortunate to have a visit from Mrs Pattinson from Colo High School to teach Stage 3 about how to structure paragraphs using the 'PEEL" method. This workshop was a great way for our students to learn this process that will be used through high school. Year 6 have begun their transition visits to high school and will continue to be apart of these during term 4.

In the early years of primary school we focus on many 'firsts' that we experience, however, 5/6P have realised many 'lasts.' We have participated in our final visit to the Healthy Harold van, danced our way through our final school concert, for Year 6 this list is far longer.

Fun Facts

- Angus D made it to the top 30 at the regional finals of the Premier's Spelling Bee
- Our class is made up of 40% Year 5 and 60% Year 6.

HAWKESBURY CHRISTMAS CARD COMPETITION

Robyn Preston MP, Member for Hawkesbury, invited students from Kindergarten to Year 6 to submit entries to the 2019 Hawkesbury Christmas Card Competition.

The winning entry will be featured as the cover of her 2019 Christmas card which will be mailed to local residents, business and organisations.

Please see the office for an entry form.

All completed entries need to be returned to her office no later than 5.00 pm on Friday 18 October. Details are on the entry form.

PERMISSION NOTES AND PAYMENTS—DUE DATES

A lot of behind the scenes organisation is involved when students attend an excursion or a school event, eg attendee lists need to be prepared for the co-ordinating teacher, and split lists and work needs to be prepared for students not attending. On some occasions the venue requires confirmation of numbers and payment in full up to 14 days prior to the event.

Wherever possible we send notes home at least four weeks prior to the event. Notes are also posted on our website—please check the website if your child has been absent from school. Reminders are sent home via School Bytes prior to the due date, and class teachers use Class Dojo to send reminders also.

If you are unable to return a permission note and/ or payment on time please contact the office, before the due date, to see if alternate arrangements are possible.

Please understand that we do not want any of our students to miss out on events, but we do need time to complete the associated administrative tasks. We appreciate your understanding.

MINDQUEST

The 93rd MindQuest enrichment weekend will be held on 9-10 November from 9.30 am - 3.30 pm at Glenwood High School. The program is for students in Years 1-6 and the cost is $200.

Students will have an opportunity to participate in over 37 exciting, fast paced courses in the two day program. They include courses in chemistry, earth sciences, drama, lego robotics, art and much more.

If you would like a brochure please contact the office. Applications close Friday 18 October.
