What We're Learning

Term 3 has been a fun and busy term and 1/2KM have enjoyed learning lots of new things and are working hard to improve their reading, spelling and comprehension skills.

In our Science unit, we have loved learning about bees and have really got into investigating and discovering new things about our environment.

Our Fun Fridays have been a blast and students have enjoyed the various programs on offer including our fitness activities which include Dance, Yoga and Aerobics. Our STEAM sessions follow where students engage in Spheros, WeDo kits and Virtual Reality. In the afternoons we have been brushing up on our athletics skills and students' skills have progressed so much over the term.

1/2KM are learning lots of new skills in our writing lessons and are becoming flourishing and engaging storytellers!

The term is flying and we look forward to seeing our students achieve more learning goals throughout the remainder of the year.
