Term 2 Week 10

Volume 11

## *From the Desk of the Principal*

### **STAGE 3 CAMP**

I had the pleasure of attending Stage 3 camp earlier this week. I experienced one of those proud teacher moments watching our Stage 3 students demonstrate exemplary behaviour, work collaboratively to overcome challenges and support each other over the three days. I often point out that Stage 3 students set the tone of the school. Their behaviour sets the standard for all other students, and if this is the case, the school is very well positioned with our current group of Stage 3 students. I was very proud of the behaviour and achievements of all students in attendance. Well done, Stage 3!

Thank you Mrs Lavender, Mrs Dowsing, Mrs Beahan and Miss Dixon for all the organisation that went into camp and for the care, commitment and support you demonstrated for all our Stage 3 campers. The camp was a huge success due to your efforts and I know that it is appreciated by our students and their families.

### **STUDENT REPORT CARDS**

Student report cards were handed out yesterday, documenting your child's learning during the first semester. I encourage all parents/carers to discuss reports with your child. There will be highlights and areas for improvements in all reports, so it is important to celebrate the achievements of each child. It is also important to discuss next steps in learning, so that your child understands what is expected of them so that they can work towards their learning goals in Semester 2.

If you have any questions about your child's report, please don't hesitate to speak to your child's classroom teacher.

It has been another exciting term of learning for all staff, students and the parent/carer community. We have all learnt a lot, laughed a lot and now we all deserve a well-earned rest. We will keep our fingers crossed that the current COVID scare doesn't ruin too many plans for families during the break. Have fun, stay safe and remember that students return to school on Tuesday 13 July.

Until next time, be positive, persistent and be kind.

*Matt Carter*

# Snapshot of 3/4B

## What We're Learning

3/4B have had a great first semester. We have been learning about the First Settlement and had a great Convict Day, learning about life as a convict. We made damper, identification card, scrubbed the deck and played fun games. Students did a research task on a famous explorer and it is great to see their hard work as they present to the class.

In Science we have been learning about force and motion and doing a variety of fun experiments.

We have been working hard on our public speaking skills and our confidence grows everyday!

3/4B are ubiquitous learners and we are looking forward to a great Semester two!
