Term 2 Week 8

Volume 10

## *From the Desk of the Principal*

### ATTENDANCE

Attendance rates are down as compared to Week 6. Overall school rates of students attending 90% or more of the time are down to 69% over the first eight weeks on this term. This is a 7% drop from Week 6. Last Monday we had 83 students away from school, a whopping 34% of the school population.

Congratulations to Year 5, with over 80% of students attending school 90% or more of the time. Our closest grade to achieving the magic 90% mark. We have developed an attendance team at GVPS to ensure our policy documents are up-to-date and to create incentives for students to achieve a personal target of 90% or greater. More information will be provided next term.

Every day counts. Every student counts. Let's all work together to ensure that we are giving our students the best opportunity to succeed at school and in their learning.

### STAFF PROFESSIONAL LEARNING

Staff Professional Learning for the remainder of Term 2 will focus on Cognitive Load Theory. Cognitive Load Theory is a theory of how the human brain learns and stores knowledge. This theory has been subjected to many Randomised Controlled Trials and meta-analyses, with a very large research base. This theory has many implications for the classroom with regards to how teachers design and deliver lessons to ensure that student learning is maximised.

Watch this space for further information about Cognitive Load Theory and ways that you can use this theory to support your child's learning at home.

Until next time, be positive, persistent and be kind.

*Matt Carter*

# ASSEMBLY AWARDS

Congratulations to the following students.

## TERM 2 WEEK 6

### CLASS WORK AWARDS

KE	Ashton S, Max B
KP	Ariella C, Evie P
1/2A	Nate J, Emma S
1/2C	Jasmine H, Zac R
1/2S	Samuel B, Hayley F
3/4B	Marley M, Declan M
3/4H	Alice C, Tyler B
4/5S	Hamish C, Violet G
5/6D	Cameron B, Mia B
5/6L	Kane H, Maddison S

### PRINCIPAL AWARDS

KE	Lacey W
KP	Ayla R
1/2A	Keelan M
1/2C	Jeremy G
1/2S	Max P
3/4B	Max T
3/4H	Jack G
4/5S	Charlie W
5/6D	Allyrah S
5/6L	Olivia M

### PBL AWARDS

KE	Lillian O
KP	William T
1/2A	Natasha C
1/2C	Emelia S
1/2S	Dylan G
3/4B	Elijah M
3/4H	Hayley W
4/5S	Ellie J
5/6D	Elias S
5/6L	Logan D

# P&C NEWS

The canteen serves breakfast, recess and lunch on Wednesday and Fridays and cash sales over the counter will be accepted.

It would be greatly appreciated, however, if you would continue to place lunch orders through Flexischools whenever possible as it makes the process of preparing and distributing orders more streamlined.

**If you are able to volunteer in the Canteen, even if only for an hour or two, please leave your contact details with the office.**

For more updates and announcements regarding the canteen please follow our Facebook page *Grose View Public School Canteen*.

Thank you for your continued support of our canteen.

*Rebecca Camilleri*

## The 2021 Australian Early Development Census

# Counting on parents

The Australian Early Development Census (AEDC) is a national census that builds a picture of the health and wellbeing of children as they start their first year of full-time school.

Every school with children in their first year of full-time school has a vital role to play in helping our nation collect the information it needs to support our children and their families as we recover from the challenges of the COVID-19 pandemic.

Since 2009, communities, schools and governments across Australia have used results from the AEDC to help provide the right kinds of services, resources and support.

From May 2021, teachers will complete the Instrument (AvEDI) about children in their first year of full-time school.

AEDC results for individual children are not reported and individual children cannot be identified.

With the support of parents/carers and schools we can build a more complete picture of childhood development in Australia. If parents/carers consent to the collection of their child's information they do not need to do anything. Parent/carers only need to contact the school if they do not consent to the collection of their child's information.

To find out more about the census and how communities are using the data to help children and families visit the AEDC website [www.aedc.gov.au](http://www.aedc.gov.au)
