17 November 2021

Term 4 Week 7

Volume 13

## *From the Desk of the Principal*

Welcome to Week 7! We have had a great two weeks at Grose View Public School. Teaching staff are continuing to provide outstanding teaching and learning experiences to all students, who have come back to school happy and eager to learn. Teachers will continue to support learning until Week 11 to ensure that we set students up for academic and social success as we had towards 2022.

Next week students in Years 3-6 will be taking part in Check-In assessments. These are online assessments in Reading and Numeracy developed by the department to track students' progress and assist teachers to make decisions about where students are at in their learning and what the next steps of learning will be for each student. The assessments are mapped to the NSW Syllabus documents.

If you have any questions, please contact the school office and ask to speak with Mr Carter.

### TELL THEM FROM ME ANNUAL SURVEY

Each year many public schools across NSW take part in the Tell Them From Me Survey. The Tell Them From Me student, parent and teacher surveys have been used in NSW public schools since 2013. They provide data on a range of aspects of school life, practices and procedures from the perspectives of students, parents and teachers. Our school uses this information to improve our process to ensure that student success and wellbeing are maximised in all areas of school operation.

The Parent Survey link is included below for your convenience.

<http://nsw.tellthemfromme.com/gvpsparentsurvey>

Your participation in this survey is appreciated.

### ATTENDANCE

NSW Department of Education

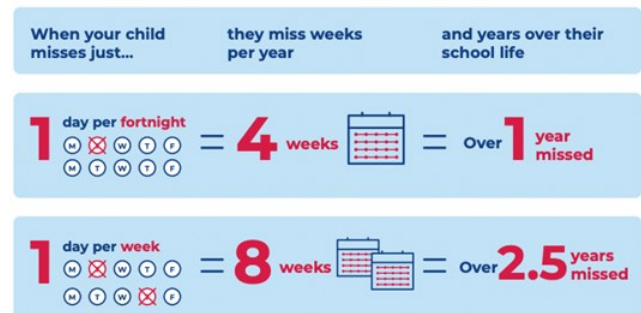

## Why attendance matters

When your child misses school they miss important opportunities to:

- Learn
- Make friends
- Build skills through fun

### Days missed = years lost

A day here and there doesn't seem like much, but...

### CELEBRATE CHRISTMAS AT REDBANK

Christmas is about spending time with family and friends. It's about creating happy memories that will last a lifetime. Celebrate Christmas this year at Redbank with all your neighbours, friends, and family.

Bring a picnic blanket, nibbles, and some drinks to enjoy the festivities in our Yeomans Park. Plenty of FREE entertainment will be provided for the whole family with jumping castles, mechanical bull, petting zoo, fire trucks, live music and much more!

Santa will be making a visit with lots of gifts for the kids. There will be a sausage sizzle, soft drinks, fairy floss & snow-cones available to purchase at the event, and all the proceeds will go to Richmond North Public School & Grose View Public School.

As it might get pretty hot, please bring a shade if you want.

As per NSW Government guidelines, all participants who are 16 years and over must be fully vaccinated.

Thank you again for your continued support. Until next time, stay safe and be kind.

*Matt Carter*

## Enrolments 2022

Planning is underway for the new school year. In order for us to plan effectively we need to know anticipated new enrolments and leavers.

If you, or a family you know, are planning to enrol children at Grose View PS next year please make contact with the office as quickly as possible.

If you are planning to enrol children elsewhere next year please advise the office as quickly as possible.

## *A letter from Miss Graham*

Dear Grose View families

It is with mixed emotions that I say 'Thank you' and 'Farewell'. It has been my absolute privilege to be a member of the Grose View Public School community for the last nine years. In that time, I have made many special connections with students, staff and parents. I continue to be extremely proud of what we have achieved collectively during my time GVPS. My hope is to get back before the end of the year should restrictions allow it, to say a proper goodbye to everyone. I look forward to visiting and continuing to work together as neighbouring school communities in the future for the benefit of all our students.

I would like to take this opportunity to thank the many families that have shared their appreciation and kind words with me over the years. As I embark on a new exciting opportunity to lead Comleroy Road Public School into the future, I will always hold dear the memories and moments that got me to where I am today. Grose View Public School will continue to hold a special place in my heart and I will be forever grateful to you all for the support, friendship and care you have shown me.

Warm regards.

*Rachel*

## School Travel for 2022

### 2022 school travel applications are now open

Students who need a School Opal card or travel pass for 2022 can [apply](#) now. A new application will need to be submitted if they are applying for a school travel pass for the first time, or if they are requesting an additional travel entitlement as a result of a new shared parental responsibility situation (e.g. joint custody).

Students who change address, school, campus location, or who have repeated a year or received an expiry notification from Transport for NSW for their school travel entitlement should [renew or update](#) their details before **the end of term 4**. This will ensure that schools can endorse applications and current entitlements are updated and remain valid. School Opal card holders will have the changes applied to their existing card.

If a student's distance eligibility has changed based on their grade the system will automatically update their entitlement if they meet the new criteria. If they do not meet the new [eligibility criteria](#), they will receive an expiry notification via email.

Students who have an entitlement approved under a medical condition that is due to expire will receive a notification advising them to re-apply.

[Term Bus Pass](#) holders will receive a notification to re-apply.

Students in the Opal network applying for an Opal card (including a Term Bus Pass) for the first time will receive their Student Opal card at their nominated postal address. Cards will be mailed out from January 2022.

Students living in rural and regional (R&R) areas should receive their travel pass at the start of the new school year from their nominated transport operator. It may come via the school or be sent directly to them at home. **Note:** some R&R operators do not issue travel passes. Students/parents should confirm with their nominated operator if they do not receive a pass.

## School Student Transport Scheme site change

On 1 October 2021 the School Student Transport Scheme (SSTS) information and application portal was moved to **[transportnsw.info](https://transportnsw.info)**. This will assist families to find all their travel information in the one place.

## Travel from Term 1 2022

We ask that parents plan ahead and make sure their child knows which service/s to use and has a valid ticket to travel; either a School Opal card or Child/Youth Opal card (within Greater Sydney) or a School Travel Pass (outside Greater Sydney), from the start of the school year.

Applications for the School Student Transport Scheme (SSTS) open at the start of Term 4 2021 for travel in 2022, so parents/students can [apply](#) or [update](#) details early and be ready for the start of the new school year.

Most students using the Opal network will not need a new Opal card and can continue travelling on their existing card each year.

The start of the year is a difficult period for local bus operators, and students travelling without a valid ticket make service planning and operations increasingly difficult.

We recognise that for some families last minute changes to school enrolments mean they may not have a School Opal card or Travel Pass for the start of term. In the Opal network, we strongly encourage these families to have their children travel on a Child/Youth Opal card until they receive their valid School Opal card. If outside Greater Sydney, parents should contact their [local bus operator](#) to discuss their travel needs.

Bus operators are flexible and understanding, particularly at the start of the school year, and will ensure students can travel safely to and from school. But to best support our operators we encourage all students to have a valid ticket, as early as possible, from the start of the school year.

Please also remember that students using Opal cards must tap on and tap off in line with the [Student code of conduct](#) and [Opal terms of use](#).
