TERM 2

Two terms down and two terms to go. It seems a bit surreal that we are already halfway through 2022, but here we are. We have gained some momentum with teaching and learning this term, although sickness has dampened that momentum somewhat as the cold and flu season have kicked in as the colder months are upon us. I would like to thank the parent community for navigating the uncertainty around whether to send children to school or keep them home this term. We continue to encourage attendance, while at the same time keeping our community safe. I believe we, parents and the school, have managed the situation well this term, and we cross our fingers that the worst is behind us and we can look forward to a successful Term 3.

Physical copies of Semester 1 reports have been sent home today. If your child was not at school today, you can access a copy of your child's report through the Sentral Parent Portal. We encourage parents to spend time reading and discussing the report with your children. Reports are a great opportunity to discuss all aspects of schooling with your children, and with 3 Way Conferences scheduled for Week 3 of next term, it would be beneficial to understand where your child's strengths and areas for improvement are in all areas of learning.

STAGE 3 CANBERRA CAMP

Our Stage 3 students and teachers travelled down to our nation's capital city this week. It was a very early start on Monday morning with the bus leaving at about 6.00 am for the coach drive down to Canberra. From all reports our Stage 3 students were excellent role models, displaying all of the positive aspects of students from Grose View Public School. The Canberra camp provides students with the opportunity to learn about the history and leadership of our nation, as well as building positive relationships with their peers and teachers, and having some fun along the way as well.

A huge thank you to our wonderful Stage 3 teachers who travelled down to Canberra. Mrs Lavender did an amazing job organising the camp. A huge effort to ensure that students, teachers and parents were prepared and had the best experience possible while on camp. Thanks also to Mrs Beahan, Mrs O'Rourke, Mrs Hopkins and Mr Chenery. I know that our students and families appreciate your efforts over the three days to ensure that our students were safe and had an enjoyable camp experience. We are certainly very lucky to have such amazing and dedicated teachers at GVPS.

ATTENDANCE

The Graph below shows the Attendance Rate as at Week 10 for each grade in the school. Most grades across the school have an attendance rate of over 80% this fortnight, which is a huge effort

considering the current cold and flu season. Our attendance is certainly looking up over the last fortnight with many schools across NSW sitting at 50%, our school percentage of 88.4% is phenomenal. Well done students and parents! Well done also to our Year 1 families with the highest percentage at 92.9% this week.

Why attendance matters

When your child misses school they miss important opportunities to...

Learn

Make friends

Build skills through fun

Days missed = years lost

A day here and there doesn't seem like much, but...

When your child misses just...	they miss weeks per year	and years over their school life
1 day per fortnight	4 weeks	Over 1 year missed
1 day per week	8 weeks	Over 2.5 years missed

NATIONALLY CONSISTENT COLLECTION OF DATA ON SCHOOL STUDENTS WITH DISABILITY (NCCD)

Every year, all schools in Australia participate in the Nationally Consistent Collection of Data on School Students with Disability (NCCD). The NCCD process requires schools to identify information already available in the school about supports provided to students with disability. These relate to legislative requirements under the Disability Discrimination Act 1992 and the Disability Standards for Education 2005, in line with the NCCD guidelines (2019).

Information provided about students to the Australian Government for the NCCD includes:

- year of schooling
- category of disability: physical, cognitive, sensory or social/emotional
- level of adjustment provided: support provided within quality differentiated teaching practice, supplementary, substantial or extensive

This information assists schools to:

- formally recognise the supports and adjustments provided to students with disability in schools
- consider how they can strengthen the support of students with disability in schools
- develop shared practices so that they can review their learning programs in order to improve educational outcomes for students with disability

The NCCD provides state and federal governments with the information they need to plan more broadly for the support of students with disability.

The NCCD will have no direct impact on your child and your child will not be involved in any testing process. The school will provide data to the Australian Government in such a way that no individual student will be able to be identified – the privacy and confidentiality of all students is ensured. All information is protected by privacy laws that regulate the collection, storage and disclosure of personal information. To find out more about these matters, please refer to the Australian Government's Privacy Policy (<https://www.dese.gov.au/about-us/resources/department-education-skills-and-employment-complete-privacy-policy-0>). Further information about the NCCD can be found on the NCCD Portal (<https://www.nccd.edu.au>).

If you have any questions about the NCCD, please contact the school.

I hope everyone has an amazing holiday.

Yanu. Until next time, stay safe and be kind.

Notes & Newsletters

Each time a note is sent home with every student, youngest/only students and selected students a copy is uploaded to our website under "School Notes". If a note has gone astray between school and home, please click on the link and print a copy at home.

Our School Bytes application is proving to be a great tool in ensuring that fewer children miss out on opportunities to join in school events. It allows us to email reminders about outstanding permission notes and/or payments. The emails are personally addressed by the application, however, if you have already returned the note and/or payment you may ignore the reminder.

For this reason, it is more important than ever to keep your email address up to date with the office.

Each time a newsletter is published a copy will be uploaded to our website under "NEWSLETTERS". Simply click on the link to read and/or print a copy at home.

7 June 2022

Dear Parents

KINDERGARTEN ENROLMENTS 2023

We are presently in the process of organising our Kindergarten Orientation Program for 2023. The program, during Term 4, will involve activities such as parent/teacher meetings, pre-school visits, preschoolers attending our school and information packages.

All new enrolments are now completed online.

To apply online please go to our website: <https://groseview-p.schools.nsw.gov.au> then:

- Click "About our school"
- Click "Enrolment"
- Go to "Apply online"

If you are considering enrolling your child, or you know of someone who is, it would be appreciated if you would apply online now or pass the information on to your family and friends who are in area to our school. Once enrolments are completed, we will be in contact in Term 3 with further details regarding Orientation and Transition Days.

Once you have completed your enrolment online you will need to provide the school with original identification documents that you have specified on your enrolment form: proof of birth (eg Birth Certificate); Immunisation Certificate (available from Medicare); and proof of address (eg rates notice or rental agreement).

You are welcome to contact our school if you have concerns or require any further information.

We look forward to meeting you and your child as they start their school journey.

Yours sincerely

A colorful poster for 'Hawkesbury Fest' celebrating Local Government Week. The background is blue with white and yellow triangular bunting flags. At the top left, 'Community Festival' is written in a white script font. In the center, 'HAWKESBURY' is in bold white capital letters above 'FEST' in large, bold, blue-outlined white capital letters. Below 'FEST' is a small white box with the text 'CELEBRATING LOCAL GOVERNMENT WEEK'. At the top right is the Hawkesbury City Council logo, which consists of a stylized 'H' and the text 'Hawkesbury City Council'. Below the title, the event details are listed: 'SUNDAY 7 AUGUST | 10AM—3PM | GOVERNOR PHILLIP PARK' followed by 'Free' in a large, white, cursive font. Below this, a list of activities is shown: 'KIDS' ACTIVITIES • MARKET STALLS • RIDES • COMMUNITY GROUPS' and 'FOOD STALLS AND TRUCKS • INTERACTIVE FUN' followed by 'AND GET TO KNOW YOUR COUNCIL'. The bottom half of the poster features a green field with several food stalls and trucks. On the left, a person in a yellow shirt and orange hat is juggling. In the center, a person in a purple shirt and yellow hat is standing next to a stall with a microphone. To the right, there are several food stalls with items like a drink, an ice cream cone, fries, a burger, and a coffee cup. A red fire truck is on the far right. At the bottom, the website 'HAWKESBURY.NSW.GOV.AU' is written in white capital letters.
