CONGRATULATIONS MISS PROCOPIO

As of Term 4, Miss Procopio will be a permanent member of staff at Grose View Public School. After teaching at our school for many years as a temporary teacher we have been able to secure her in a permanent capacity. Miss Procopio is currently teaching Kindergarten, leads the Aboriginal Education Committee, organises our school sport program in Term 2 and, among many other roles, is our resident Mathematics whiz! She is a valued member of the staff and adds to the richness and diversity of teaching and learning here at GVPS. Congratulations Miss Procopio, you have worked extremely hard for this opportunity and we are very excited that you are going to be working with us for many years to come.

STAFF PROFESSIONAL LEARNING

We had a wonderful day of professional learning last Friday, as Grose View Public School hosted Assistant Principals from the 15 schools involved in the SoLaR (Science of Learning and Reading) project at our first ever Middle Leaders Day. Assistant Principals spent the day working collaboratively to understand the science of reading and developing consistent approaches to implement this science at each of the 15 schools. Thank you to our executive team who participated in the day to further their knowledge and understanding of how to effectively teach reading, while developing partnerships with Assistant Principals from other schools from across the Hawkesbury and Windsor principal networks. This is very exciting work and we look forward to sharing our success with the community over the coming years as the project progresses.

The focus of this evening will be to understand the approach to teaching reading at GVPS and learn more about practical steps to help your child with their homework and to achieve excellence in English. This session is a follow-on session from the Term 2 Parent Information Evening.

We believe that working side-by-side with the community is pivotal in achieving outstanding educational outcomes for all our students. Your

IS FRESH ALWAYS BEST?

Frozen and canned varieties are just as good as fresh in these expensive times. They:

- 1) are usually cheaper
- 2) are available all year round
- 3) can save you time
- 4) are just as nutritious

If you are considering enrolling your child, or you know of someone who is, it would be appreciated if you would apply online now or pass the information on to your family and friends who are in area to our school. Once enrolments are completed, we will be in contact in Term 3 with further details regarding Orientation and Transition Days.

Once you have completed your enrolment online you will need to provide the school with original identification documents that you have specified on your enrolment form: proof of birth (eg Birth Certificate); Immunisation Certificate (available from Medicare); and proof of address (eg rates notice or rental agreement).

You are welcome to contact our school if you have concerns or require any further information.
