Dear Parent/Carer

I am writing to advise you that we suspect that nits/head lice are present in the hair of some students within the School.

Please check your child's hair for nits/lice tonight using the methods recommended by NSW Health (<http://www.health.nsw.gov.au/publichealth/environment/headlice/treatment.asp>).

If you find any eggs or lice please commence treatment as recommended.

Further information is available on the NSW Health website or through the Department's website

<http://www.schools.nsw.edu.au/studentsupport/studenthealth/conditions/headlice/index.php>.

I appreciate your assistance in this regard.

Yours sincerely

Mr Damien Feneley
Principal
