6 June 2019

Dear Parents/Carers

## COLO HIGH SCHOOL - SPIRIT WEEK

**Monday 1 July** marks the commencement of *Spirit Week* at Colo High School. This is a tradition which involves encouraging spirit, togetherness and motivation within the school and the community. This year both members of the senior community, as well as four students from each of the local feeder primary schools will be joining together to celebrate 'Connecting With Our Community'.

Your child has been invited as a representative of Grose View Public School to a morning of entertainment showcasing the talents of Colo High School's performing arts students.

The concert will commence at 9.30 am with morning tea provided afterwards.

I will be driving the children to and from Colo High School.

Yours sincerely

Mr Damien Feneley  
Principal
