Dear Parents/Carers

Black Dog
Institute

MUFTI DAY – BLACK DOG INSTITUTE FUNDRAISER

This year our SRC has decided to support the Black Dog Institute. Families from the school are doing the Murray River paddle (a 5 day paddle in November) to support this foundation and our school community were eager to support this great cause.

The Black Dog Institute brings together the strength of a medical research institute and a not-for-profit. We are dedicated to understanding, preventing and treating the significant mental health challenges facing the world today.

On **Tuesday 25 June** we are giving students the opportunity to support this fundraiser by giving a **gold coin donation** so they can wear **black, blue, white or orange clothes**.

Yours sincerely

Mrs Belinda Harrington, Mrs Marina Edwards & Mr Matthew Chenery
SRC Coordinators
