Dear Parents/Carers/Community Members

LEARNING AND SUPPORT PARENT/COMMUNITY PROGRAM

As you are aware our school has a dynamic Learning and Support Team that delivers a range of support programs to support the learning needs of students across many areas. The School is using these support programs to improve student learning outcomes and assist students in mastering key concepts and skills.

The Learning and Support Team would like to extend an invitation to parents, carers and community members who would be interested in joining our GVPS Learning and Support Parent/Community Program. Members would receive training in a range of skills/programs to assist students across the school in their learning, as well as, undertake training in Code of Conduct and Health and Safety procedures.

Any offer of time is much appreciated and we are happy to work around personal commitments. As appreciation for your assistance, we are only too happy to provide each member with a formal letter of recognition to acknowledge your contribution to the program.

Should you require further information, or to discuss the programs in further detail, please contact me.

Yours sincerely

Miss Rachel Graham
Learning and Support Co-ordinator

GROSE VIEW PUBLIC SCHOOL
