21 June 2019

Dear Parents/Carers

MEASLES

We have been notified of a probable case of Measles at school.

If your child shows the following symptoms, please see your doctor: fever, tiredness, runny nose, cough and sore red eyes for a few days followed by a red blotchy rash that starts on the face and spreads down the body.

You will need to keep your child at home for at least 4 days after the rash first appears.

Contacts who are not immune should not attend school for 14 days.

I appreciate your assistance in this regard.

Yours sincerely

Mr Damien Feneley
Principal
