Dear Parents/Carers

BOWEN MOUNTAIN BUS

We have been made aware of alleged incidents involving members of the public taking photos/filming on the Bowen Mountain Bus.

Today I have followed up with Busways and Windsor Police to report any information that has been passed on. The police are following up on the matter and we will continue to monitor the situation.

Please ensure you speak with your children regarding stranger safety, and should you have any further concerns report them to Windsor Police.

Yours sincerely

Miss Rachel Graham
