Dear Parents/Carers

TERM 4 GYMNASTICS PROGRAM

Grose View Public School is very excited to announce that we will be participating in an eight week gymnastics program commencing in Term 4. All students from Kindergarten to Year 6 will be involved as gymnastics is a core component of the K-6 PDHPE Syllabus.

Moving Bodies is a group of highly qualified sports educators who specialise in running physical education programs. *Moving Bodies* is affiliated with the New South Wales Gymnastic Association and all coaches are accredited and registered with both State and National bodies.

The gymnastics program aligns closely with the Syllabus and caters to a wide range of ages and abilities. Over the eight weeks, students will be given the opportunity to develop their skills using a variety of specialised gymnastics equipment.

Lessons will be held on Fridays and each lesson will go for approximately one hour. Students will need to wear their full school sports uniform. The usual cost of the program is \$43.00; however, we have been fortunate to receive a Sporting Schools grant which reduces the **cost per student to \$35.00**.

Please return permission note and payment no later than Wednesday 16 October 2019. If you have not done so your child will be unable to participate as we must to confirm numbers and make payment. Please contact the school office if you wish to discuss payment options.

Yours sincerely

Ms Julia Hutchins
Gymnastics Co-ordinator
