Dear Parents/Carers

INFLUENZA B

We have been notified of a confirmed case of Influenza B at school.

If your child shows the following symptoms, please see your doctor: fever and chills; cough, sore throat and runny or stuffy nose; muscle aches, joint pains, headaches and fatigue (feeling very tired); nausea, vomiting and diarrhoea (more common in children than adults).

You will need to keep your child at home as advised by your doctor.

I appreciate your assistance in this regard.

Yours sincerely

Miss Rachel Graham
