Dear Parents/Carers

MORNING SUPERVISION OF STUDENTS

Due to an early bus that arrives from Bowen Mountain at approximately 8.15 am, early morning supervision is offered out of courtesy to ensure the safety of those students.

We also understand that work commitments occasionally make early drop offs unavoidable.

However, of late we have been experiencing significant numbers of students, in excess of 70 students at times, arriving at school before 8.40 am when our teachers begin their official supervision duties.

Please support teachers by ensuring that students arrive at school no earlier than 8.40 am unless absolutely necessary.

Yours sincerely

Mr Damien Feneley
Principal
