

GROSE VIEW PS OPEN DAY 2019

'every student,

EVERY *voice'*

Grose View Public School would like to invite parents, grandparents, relatives and community members to our School Open Day on Friday 9 August.

The theme for 2019 Education Week is 'Every Student, Every Voice'. It is a celebration of the opportunities public education offers to students to feel empowered by their learning. At Grose View Public School we have focused on Captain Disposition to develop skills in making decisions and evaluating problems.

The students have been learning to apply the following dispositions throughout their learning and in everyday situations: open-minded, risk taking, flexibility, resourceful, patient and persistent, ubiquitous and reflective.

At our Open Day, we will showcase our school through student performances and an art display featuring student artwork completed during a workshop led by Taryn Malzard our local artist. We would also like to invite families to be involved in activities which highlight how we engage students through dispositions.

We would like to encourage families to bring a picnic rug and a basket full of goodies to share with your family during the family picnic at lunch.
