[2019 Senior simple word lists](#) [2019 Senior annotated word lists](#)

To open the word lists you need to type in the following password: **pizza**.

There are two different formats for the junior word lists: Simple and Annotated. These are for Years 3 and 4. Likewise, there are two different formats for the senior word lists for Years 5 and 6. For both junior and senior competitions on the day, words will be used from both of these formats.

If you have trouble accessing the spelling lists please let me know and I will assist you. The more practice the better! Together with Mr Chenery, we will meet with all Premier's Spelling Bee Regional Finalists one recess each week for practice.

Yours sincerely

Mrs Anastasia Lewis
