Dear Parents/Carers

YEAR 6 GRADUATION BEARS

The students of Year 6 have the opportunity to purchase a high quality graduation bear or ball for family and friends to sign. This a great memento of their primary school years they will treasure.

The signature bear and ball concept has proven to be extremely popular amongst the students over the years.

This very cute bear stands 45 cm tall with moveable arms and legs. The balls are 20 cm long. The graduation mementos come with a BIC pen so the students can collect their friends' signatures. They are delivered to students in a plastic poly bag for protection.

If you would like to purchase a memento bear or ball for your child please return the permission slip and payment by **Friday 25 October 2019**. We will not be able to accept late orders.

Students will receive their graduation memento in their final weeks of Year 6.

Yours sincerely
