23 September 2019

Dear Parents/Carers

## **YEAR 6 SLIDESHOW**

The Year 6 Slideshow is a feature of the Year 6 graduation shown on Presentation Day, Wednesday 11 December 2019. The slideshow will include photos of every current Year 6 student and when they started in Kindergarten no matter which school they were at. Other photos of their time at Grose View PS from events, excursions or sports are also a feature of the slideshow.

For students who started their school life at Grose View we have your Kindergarten photos already. For students who have joined the Grose View family during other years we request a copy of your child's Kindergarten photo to help complete the slideshow and ensure your child doesn't miss out on sharing how cute they were when they started school.

We would also appreciate one or two photos of your child or a group of Grose View children at a school event that you feel is suitable for the slideshow.

Photos can be sent in as a Jpeg on a USB stick, emailed or as a photo and we will scan it. We need the photos as soon as possible to allow time to create the slideshow.

**Please send photos no later than 15 November.**

Yours sincerely

Mrs Marina Edwards and Miss Claudia Procopio  
Year 6 Teachers
