Dear Parents/Carers

TEMPORARY LEAVE

I am writing to inform you that I will be taking leave from Grose View Public School for the remainder of Term 4 2019. I have been offered a temporary role as a Chief Education Officer to develop and deliver a new state-wide community engagement initiative. My leave will commence on Monday 4 November (Week 4). In my absence Miss Graham will relieve as Principal, and Mrs Lavender and Mrs Edwards will relieve as Assistant Principals. There will be no changes to classroom teachers or class organisation.

Although this change will present some organisational and administrative challenges for the School as we plan and prepare for 2020, I have full confidence in the staff and the existing systems and processes we have in place. The strength and success of Grose View Public School is a direct result of the leadership and professionalism that is demonstrated by all staff in the day to day operation and management of the School.

I wish you all well for the remainder of the year and look forward to seeing you at the Presentation Day assembly.

Yours sincerely

Mr Damien Feneley
Principal
