**This year we will have the privilege of celebrating student achievement
and graduation across years K-6 in a combined assembly.**

The assembly begins at 9.30 am in the hall.

We request that all guests are seated at 9.20 am.

**During the interval,
we would like to invite parents/carers and special guests
to join us for a morning tea to say thank you
for your contributions throughout 2019.**

**We look forward to seeing you all there
for what will be a fabulous display of student achievement and effort!**
