T:\Office\Correspondence\Letters To Parents\2020-03-23 Device Internet Survey.Doc

23 March 2020

Dear Parents/Carers

PARENT INFORMATION CHECKLIST AND DEVICE/INTERNET SURVEY

We are asking that you please complete the following checklist and internet survey so that we can ensure that, if schools are closed for any period of time, we can communicate with you easily via email, ClassDojo and School Bytes. An information form was sent out at the beginning of the term and we assume that your details are correct. However, if you have made any recent changes or are unsure, please complete the information in the relevant spaces.

The second part contains the survey regarding devices and internet access if learning did need to occur at home.

Please tick the relevant boxes and add information where required.

Please return this form to the office by Friday 27 March 2020. Many thanks for your assistance in this matter.

Yours sincerely

Miss Rachel Graham
Relieving Principal

Parent Information Checklist and Device/Internet Survey

Family Name: _____

Please supply the details below and add/circle the information as required.

Many thanks for your responses.
