12 February 2020

Dear Parents/Carers

2020 SCHOOL SWIMMING CARNIVAL – COMPETITORS ONLY

Due to the unpredictable weather forecast for the week ahead, our school swimming carnival will go ahead for competitive swimmers only. This decision has not be made lightly and has been made with our students' safety in mind.

This note has been sent to families who have returned the swimming carnival permission note indicating that their child is a proficient 50m swimmer or that their child will be attending the carnival.

Please note: The fee charged for the carnival will be applied to your account if your child remains at school.

All students attending the carnival **MUST** compete in their events. Sport House points will only be awarded for student who are placed in their event. Participation points will not be tallied for this carnival.

There will be **no novelty** events held at our swimming carnival this year. We would like to ask that only competitive swimmers attend the swimming carnival. All students who do not attend the carnival should attend school as per usual.

Yours sincerely

Miss Rachel Graham
Relieving Principal
