29 January 2020

Dear Parent/Carers

Gourmet Views Canteen will be open on **Friday 31 January 2020** for breakfast, recess and lunch for **paper bag orders only**.

Flexischools will not open until Week 2. The first day for online orders will be Wednesday 5 February due to our new enrolments and kindergarden students starting in week two. I am sorry for the inconvenience this may cause some families.

To make our canteen a success we are asking for volunteers to come and spend a few hours helping in the canteen. The hours would be from 10.30 am to 2.00 pm on Wednesdays and/or Fridays. For safety reasons we cannot allow infants into the canteen.

If you are interested in volunteering please fill out the slip below or if you have any questions please contact me.

Yours sincerely
