

Richmond Agricultural College Agricultural Specialty Stream

Expression of Interest

Year 7 2021 Agricultural Specialty Stream

Closing Date

3pm

16th September

Richmond Agricultural College, a **two campus model** incorporating **Richmond HS** and the **Centre of Excellence in Agricultural Education** was announced by the NSW government in 2019. The announcement included the establishment of a new agricultural specialty stream.

Enrolments are now open for the YR 7 2021 Agricultural Specialty class.

Application is through an **Expression of Interest, portfolio and interview.**

The focus of the process is to determine the student's interest and potential in agricultural/STEM education and their suitability to the designed educational program.

This process will be managed by the principals of Richmond High School and the Centre of Excellence.

Who can apply to enrol?

Any student eligible to enrol in YR 7 in a NSW secondary school in 2021.

Richmond Agricultural College

Richmond High School

Centre of Excellence

Agricultural Specialty
