5 November 2020

Dear Parents/Carers

BEE-THEMED MUFTI DAY & NUDE FOOD DAY

As part of our Think Share Act program, student groups undertake investigations into important issues relating to our environment and sustainability. Last week students in the Think Share Act - Bee Group put forward a request for permission to hold a mufti-day to raise awareness about the plight of bees and the important role they play in ecological systems.

On **Friday 27 November** the Bee Group from Think Share Act will be holding a Bee-Themed Mufti Day to raise the awareness of bees at our school. We ask staff and students to **wear clothes coloured yellow, black or blue**. Students are **invited to make a gold coin donation** to raise money to buy more plants and flowers and bee hotels to attract Native Bees. Please note, that it is **not compulsory to make a donation**.

Thank you for supporting our initiative.

Students from the TSA Bee Group

Our Think Share Act – Waste Warriors will be holding a second NUDE Food Day on **Friday 27 November**. We hope to have the support of families to **pack fruit break, recess and lunch foods without packaging that is thrown away**. Please ensure that all reusable packages and containers used as an alternative have clear name labels so they too don't become our landfill.

Please support our Think Share Act - Bee Group and Waste Warriors with a gold coin donation if you are able and by using reusable packages and containers.

Yours sincerely

Mr Damien Feneley
Principal
