

12 November 2020

Dear Parents/Carers

JUNIOR RANGERS – ERADICATING INVASIVE SPECIES

This Semester our Stage 3 students have been participating in the Junior Rangers program. They have been preparing their revegetation plan for an area within the school and are now at the stage of needing to prepare their site ahead of the tree planting day.

In the lead up to our tree planting day, Stage 3 will be assisting one another's site by eradicating the invasive species. Students will be using weeding tools to remove weeds from the ground. **Students will need to supply their own gardening gloves in a labelled bag.**

Please return this permission note as soon as possible to ensure that we can get started with the weeding process straight away. If possible, we would appreciate it if you could send a pair of gardening gloves in a labelled bag to school. These will be kept safely at school over the next few weeks.

On the days each class anticipate their weeding process to begin, your child's teacher will communicate with parents via Class Dojo. Please ensure that your child brings to school long pants and a long-sleeved top to avoid scratches and cuts from sharp weeds.

Please tick and sign the note below and return to school by **Monday 16 November 2020**.

Yours sincerely

Mrs Tamara Hopkins
Assistant Principal

GROSE VIEW PUBLIC SCHOOL

Junior Rangers – Eradicating Invasive Species

I give permission for my child _____ of class _____ to:

- ☐ participate in the removal of weeds
- ☐ use weeding tools to eradicate weeds
- ☐ prepare the revegetation site by handling mulch and soil

Special needs of my child that you should be aware of (eg allergies) are:

Parent/Carer Signature: _____ Date: ____/____/____
