12 February 2021

Dear Parents/Carers

CANTEEN OPERATION FROM TERM 1 WEEK 5

We are pleased to advise that our canteen will return to pre-COVID operations from Wednesday 24 February 2021.

The canteen will serve breakfast, recess and lunch on Wednesday and Fridays and cash sales over the counter will be accepted.

It would be greatly appreciated, however, if you would continue to place lunch orders through Flexischool whenever possible as it makes the process of preparation and distribution of orders more streamlined.

Please find attached an exciting new menu that will also commence on 24 February.

For more updates and announcements regarding the canteen please follow our Facebook page *Grose view Public School Canteen*.

Thank you for your continued support of our canteen.

Yours sincerely

Rebecca Camilleri
Canteen Manager
