Dear Parents/Carers

THINK BLAST 2021

Your child _____ has been selected to participate in your school's THINK BLAST! team. THINK BLAST! is day of engaging and exciting higher order STEM challenges where our local primary schools compete against each other. The THINK BLAST! challenge day will encourage higher order thinking, thoughtful questioning and global awareness for our students.

Each local primary school will send a team of six Stage 2 students to participate in STEM based challenges. These involve discussing problems, communicating effectively, creating solutions and thinking critically. Each competition round will be judged by local experts and the winning school will receive the THINK BLAST! trophy.
