Dear Parents/Carers

DANCE CURRICULUM - PRIMARY SCHOOL DANCE PROGRAM

As part of our school's Creative and Performing Arts (CAPA) and Personal Development, Health & Physical Education (PDHPE) curriculum, we are excited to introduce the Dance Curriculum Primary School Dance Program at Grose View Public School. Dance Curriculum is a high-energy dance program, designed for all students from Kindergarten to Year 6. The program is dance oriented, however, has a heavy emphasis on engagement and Growth Mindset. Dance Curriculum are passionate about providing positive dance experiences by providing positive role models who are inspired by and passionate about dance.

Dance Curriculum regularly feature at the Halogen National Young Leaders' Day Conference, teaching thousands of students to dance all at one time! The program will run over the last two weeks of Term 1 and will culminate in a concert on the last day of term. Parents/carers will be invited to this concert to share in the learning and success of our students.

What: 10 x 40 min lessons –last lesson will be a celebration of dance with the community
Who: All students
When: Each day (Weeks 10 &11)
Where: School hall
Requirements: School uniform, comfortable shoes to dance in
Cost: \$10

We are excited to offer this opportunity to our students in 2022. As this is a new program to the school, and with continued disruption through COVID and the recent floods, we have decided to subsidise this year's program by \$25 per child. If the program is as successful as we anticipate, the full cost will be charged in 2023.

The program will address mandatory syllabus outcomes. There will also be a strong focus on the development of self-confidence, communication, respect and co-operation.

Please complete and return the payment slip by Friday 8 April 2022.

Yours sincerely

Matt Carter
Principal

Dance Curriculum – Primary School Dance Program

My child, _____ of class _____ is invited to participate in the Dance Curriculum Primary School Dance Program.

I have paid \$10 via POP. Receipt number is _____
