23 March 2022

Dear Parents/Carers

P&C CHOCOLATE FUNDRAISING

The P&C are commencing a confectionery drive, using Cadbury fundraising. We have selected their delicious range of Easter Eggs to sell in 2022. These products are very popular, making them easy to sell with Easter fast approaching.

This is a great fundraiser, but it can't be successful without your assistance and we really appreciate your support.

Starting from Friday 25 March, each family will receive one box of chocolates to take home and sell. Boxes will be given to the eldest student in the family. Each box contains 20 packets of eggs, which sell for \$4 each. If every family can sell at least one box, the P&C hope to raise over \$5,000.

If you do not wish to receive a box to sell, please contact the school office before Friday so that we don't send one home with your child.

As we are so close to the end of the term, families can sell boxes through the Term 1 holiday break. Money will be collected any time up until Friday 29 April. Any unsold chocolates will need to be returned to the office by this date.

As a sweet incentive, for every box sold your family will receive a ticket in the draw to win a 10 kg block of Cadbury chocolate. The more boxes you sell, the more tickets you get in the draw.

If you can resist eating them all yourself, try selling them to friends, relatives or even take them to work to sell... they are usually very welcome around morning tea or for that afternoon pick-me up! You might like to buy a few yourself to fill some last-minute Easter presents!

If you have any queries, need to return money or if you would like another box to sell, please contact the school office.

Thanks again for all you support.

Good luck and happy selling!!

Mrs Stacey Carra
P&C Vice-President
