

GROSE VIEW PUBLIC SCHOOL

'Healthy Mind and Body'

POSITIVE BEHAVIOUR FOR LEARNING (PBL)

& PARENT INFORMATION EVENING

Dear Parents/Carers

On Thursday 28 April, Grose View Public School will be relaunching our PBL processes.

There will be half a day of activities for children centred around the five school rules:

"Safe, Respect, Responsible, Learn and Care"

PBL is a long-term process to create safer and more effective schools by structuring the learning environment to support the academic and social success of all students. The adoption and long-term implementation of efficient and effective discipline throughout the whole school environment is critical to the process.

PBL is not a program, but a process that supports Grose View Public School to design, implement and evaluate effective school-wide, classroom, non-classroom and individual student discipline.

This will be a mufti day for the children. We ask that they dress in the colours for PBL:

Green = Safe
Yellow = Learn

Blue = Respect
Pink = Care

Orange = Responsible

Parent Information Evening

To add to the excitement of the PBL launch, an invitation is extended to all members of the Grose View Public School community to come and learn about the school's approach to teaching and how we can work together to achieve positive learning outcomes for all students. The focus of this evening will be the introduction of the Morning Routine, the new English Syllabus and what this looks like in your child's classroom.

We believe that working side-by-side with the community is pivotal in achieving outstanding educational outcomes for all our students. Your attendance at this information evening is essential for us to support all families to understand how and why students are being taught at school, so that families are able to support learning at home.

When Thursday 28 April at **6.00 pm**
Where Grose View Public School Library
Refreshments Light refreshments will be provided – tea, coffee and nibbles

We look forward to sharing this information with GVPS community members.
