Dear Parents/Carers

## **STAGE 2-3 DANCE GROUP 2022**

We would like to thank the students and parents for your support in encouraging your children to learn the dance routine and attend three dance sessions per week. This year has been a particularly difficult year for our Stage 2 and Stage 3 dancers due to several disruptions including COVID and flooding. For that reason, we wanted to allow time before the final audition for students to learn the routine at school and at home using the demonstration videos.

Unfortunately, due to the popularity of the Stage 2-3 dance group we have not been able to accept all of our dancers due to limited numbers permitted on stage and at venues for safety concerns. It is with deep regret that we have been unable to offer your child \_\_\_\_\_ a placement in the dance group.

If you have already paid for the costume hire fee or the Synergy excursion, the paid funds will be transferred into your child's 'fees in advance' for further excursions. Please contact Mrs Hopkins or the school office if you have any questions.

If by chance you have purchased tickets for the Synergy Dance Festival, please contact Mrs Hopkins to organise a transfer of tickets.

Yours sincerely

Mrs Tamara Hopkins & Mr Matthew Chenery  
Stage 2-3 Dance Teachers
