

The *Student Acceptable Use of Technology Agreement* incorporates the student use of digital devices, online services at our school and their usage in the home.

The School provides access and the use of these technologies with the expectation that students will make good decisions about using it in a safe, responsible and respectful manner. This includes the use of digital devices and online services by students in our school. This *Student Acceptable Use of Technology Agreement* is to follow the student use of digital devices and online services procedure covers the student use of digital devices and online services in school-related settings, including on school grounds, at school-related activities and outside of school where there is a clear and close connection between the school and the conduct of students.

This *Student Acceptable Use of Technology Agreement* must be agreed to and signed before students are permitted to use any school device.

Students and parents/carers must carefully read this *Student Use of Digital Devices and Online Services Procedure* and this *Student Acceptable Use of Technology Agreement* prior to signing it. Any questions should be addressed to the school and clarification obtained before the agreement is signed.

This agreement applies to the duration of your enrolment at Grose View Public School.
