Dear Parents/Carers

DANCE CURRICULUM - PRIMARY SCHOOL DANCE PROGRAM

As part of our school's Creative and Performing Arts (CAPA) and Personal Development, Health & Physical Education (PDHPE) curriculum, we are excited to welcome the Dance Curriculum Primary School Dance Program at Grose View Public School once again. We had amazing positive feedback from staff, students, and the community after running this program last year and we are eagerly anticipating the return of the program this term. Dance Curriculum is a high-energy dance program, designed for all students from Kindergarten to Year 6. The program is dance oriented, however, has a heavy emphasis on engagement and Growth Mindset. Dance Curriculum are passionate about providing positive dance experiences by providing positive role models who are inspired by and passionate about dance.

Dance Curriculum regularly feature at the Halogen National Young Leaders' Day Conference, teaching thousands of students to dance all at one time!
