Dear Parents/Carers

## HAWKESBURY POLICE K-6 PARENT CYBER-SAFETY INFORMATION SESSION

Students in Years 3-6, will attend annual cyber-safety and bullying information sessions delivered by our Hawkesbury Police Youth Liaison Officers on Wednesday 31 May.

We have asked the Hawkesbury Police Youth Liaison Officers to hold a K-6 parent cyber-safety information session on Wednesday 31 May from 2.00-2.30 pm in our school library. We would love to hold this session with at least 20 families in attendance. We invite you all to come and be part of this valuable insight into how to keep your child safe on devices now and into their future. Light refreshments will be available.

Please complete the expression of interest slip for the parent information session below and **return to school by Wednesday 24 May.**

Yours sincerely

Mrs Heidi Lavender  
R/Assistant Principal
