Dear Parents/Carers

## STAGE 2 AND 3 HOMEWORK INFORMATION

All students 3-6, have been assigned a Google Classroom where their homework, assignments and personalised computer login card are located in their classwork folder.

We acknowledge that students will have after school activities, however we encourage the repetitive practice of learning that has been ignited in the classroom as homework. The tasks set can be independently accessed by your child on a PC, Laptop or iPad. The completion of regular homework can assist your child keep a schedule for learning retrieval at home, with the time allocated to homework increasing as they get closer to high school. The skill of accessing their own Google Classroom regularly will increase confidence and speed of accessing this platform in the classroom and will be a skill students will use daily in lessons in high school.

**STAGE 2 HOMEWORK-** 30 minutes per day (15 mins for reading and 15 mins for maths)

**STAGE 3 HOMEWORK-** 40 minutes per day (20 mins for reading and 20 mins for maths)

### Reading:

-Daily reading aloud to yourself or to another person to build reading fluency.

-Daily reading novel or **Literacy Pro** to build reading comprehension.
