

📌 Online Form - K-2 Ranger Jamie Science Incursion

Activity Name:	K-2 Ranger Jamie Science Incursion
Date/Time:	Wednesday 29 November 2023 9:05am - 3:05pm
Description:	<p>Ranger Jamie Tours will be visiting our school on Wednesday 29 November from 9.30-11.30 am. Over an action-packed two hours, enthusiastic Rangers will make object movement fun and engaging.</p> <p>K-2 students will be enthralled by the interactive presentation where they will observe the movement of different objects, finishing with the launch of 1000 ping pong balls into the air. In this practical and interactive STEM-based program, students will investigate the physical characteristics of objects and how they move (such as bouncing, flying, jumping, rolling and sliding). They will have the chance to participate in a range of hands-on activities which demonstrate forces, and work together to develop solutions to challenges and identified needs, eg applying scientific knowledge to build the best air rocket.</p> <p>This incursion explores the 'Object Movement' strand of the science curriculum that we are focusing on this term. It aims to extend students' understanding of push and pull forces and explore movement challenges in practical scenarios.</p>
