Dear Parents/Carers,

Welcome to Grose View Public School Canteen 2024, we are open Monday and Friday every week for recess, lunch, and lunchtime frozen items. Unfortunately, due to massive price increases from our suppliers the price of a few items on our menu have had to increase, so please review the revised menu that is attached.

We are currently accepting recess, lunch, and frozen item orders online through www.flexischools.com.au. After your order is placed through Flexischools, before 9.30 am, it gets created in the canteen, then hand delivered by student leaders to the classrooms, where teachers hand out the orders. This includes recess, drinks, hot food, and frozen items. Students will not need to line up outside the canteen to collect their lunch. We are open at recess and after lunch accepting cash to buy recess food and drinks and again at lunchtime to buy frozen items.

We are an NSW Healthy School Canteen, and our menu has been approved by the NSW Government under the Healthy Schools Canteen Strategy. Everything sold in our canteen has a healthy star rating of 3.5 or over. Fresh produce is important to our community, that is why 80% of our menu is handmade in our canteen with the freshest produce available.

This is my fifth year of managing the Grose View Public School Canteen. Over the years, I have had the privilege to watch the school community support the P&C run canteen. All funds received through the canteen go back into the school through the P&C donations.

The canteen is always looking for new volunteers. It is a few hours once a week, and even if it is once a year it really helps and is greatly appreciated. I am currently looking for volunteers on Fridays, from 10am – 2pm or 12pm – 2pm. Our school policy is no children in our canteen, as it is a safety concern.

If anyone is interested, please fill out the form below and return to the school office.

If you would like to know more, please feel free to contact me.

Kind Regards,

Rebecca Camilleri
