

# SPRING FAIR HAMPER DRIVE

Term 2 Week 6- Term 3 Week 2

Monday 3 June to Friday 2 August 2024

*Every Spring Fair year we ask families to donate new unopened/unused items. Each class is assigned a category to bring in items for. The items will be made into hampers that are used for our Wheel of Prizes. Non-perishable edible items need to a best before date after Nov 2024.*

*Kindergarten will run a separate hamper stall at the Spring Fair and need each Kindergarten family contribute by making a hamper for the stall. A box will be sent home to fill. More boxes available.*

## KH & KT HAMPERS

All Kindy students will be sent home an empty hamper box for families to make their own hamper like the ones suggested here for the hamper stall run by Kindergarten at the Spring Fair.

Think about a hamper you'd like to buy and make it to sell.

Send in your completed hamper into class. More boxes available if you'd like to make more than one.
