Dear Grose View community

OUR SPRING FAIR CAKE STALL NEEDS YOU

Our Spring Fair is fast approaching and it's time to get excited!

The Cake Stall is an important part of our fundraising for the Spring Fair and the more cakes we have the more money we can raise for our school. For our stall to be a success we need everyone in our wonderful Grose View community to make cakes, slices, biscuits, breads, pastries etc. to sell.

In preparation, we are sending home a cake box with your youngest child for you to fill with goodies for sale at our Spring Fair. If you would like addition boxes please contact the office.

All Cake Stall items need to be delivered to school on Friday 20 September or Sunday 22 September (Spring Fair day) to the school hall. To ensure we can successfully sell your goodies we kindly ask that you provide a list of all the ingredients used.

Thank you in advance. Our stall is not possible without all your support.

Yours sincerely
