

Musical fun and games

At Grose View, music starts with Mini Musos

The Grose View Public School Music Program is an integral part of music education at our school and Mini Musos is the first step.

Mini Musos is a 12-month program designed for students in K-2. It's a fun way to introduce children to the language of music. It involves singing, learning the recorder, playing percussion instruments and moving to the rhythm and beat.

When: 8:30am to 9am, Tuesday or Thursday.

Cost: \$60 for a 10-week term. Please note, no refunds are given for mid-term withdrawal.

What you need to bring: A recorder and a clear slip display folder. You can buy a recorder from the Committee for \$10.
